GARDEN PLAZA OF VALLEY VIEW

A SENIOR LIVING COMMUNITY

A tradition of excellence in Boise

A Continuum of Care Campus

Independent Living

Every day is a vacation at Garden Plaza of Valley View where independent residents enjoy daily scheduled activities, close friends, restaurant-style dining, and much more in a beautiful lodge setting reminiscent of Idaho and the Great Northwest.

Assisted Living

At The Bridge at Valley View, residents enjoy a warm and beautiful setting while actively participating in daily life enrichment activities, restaurant-style dining and exceptional support services and health care provided by licensed professionals.

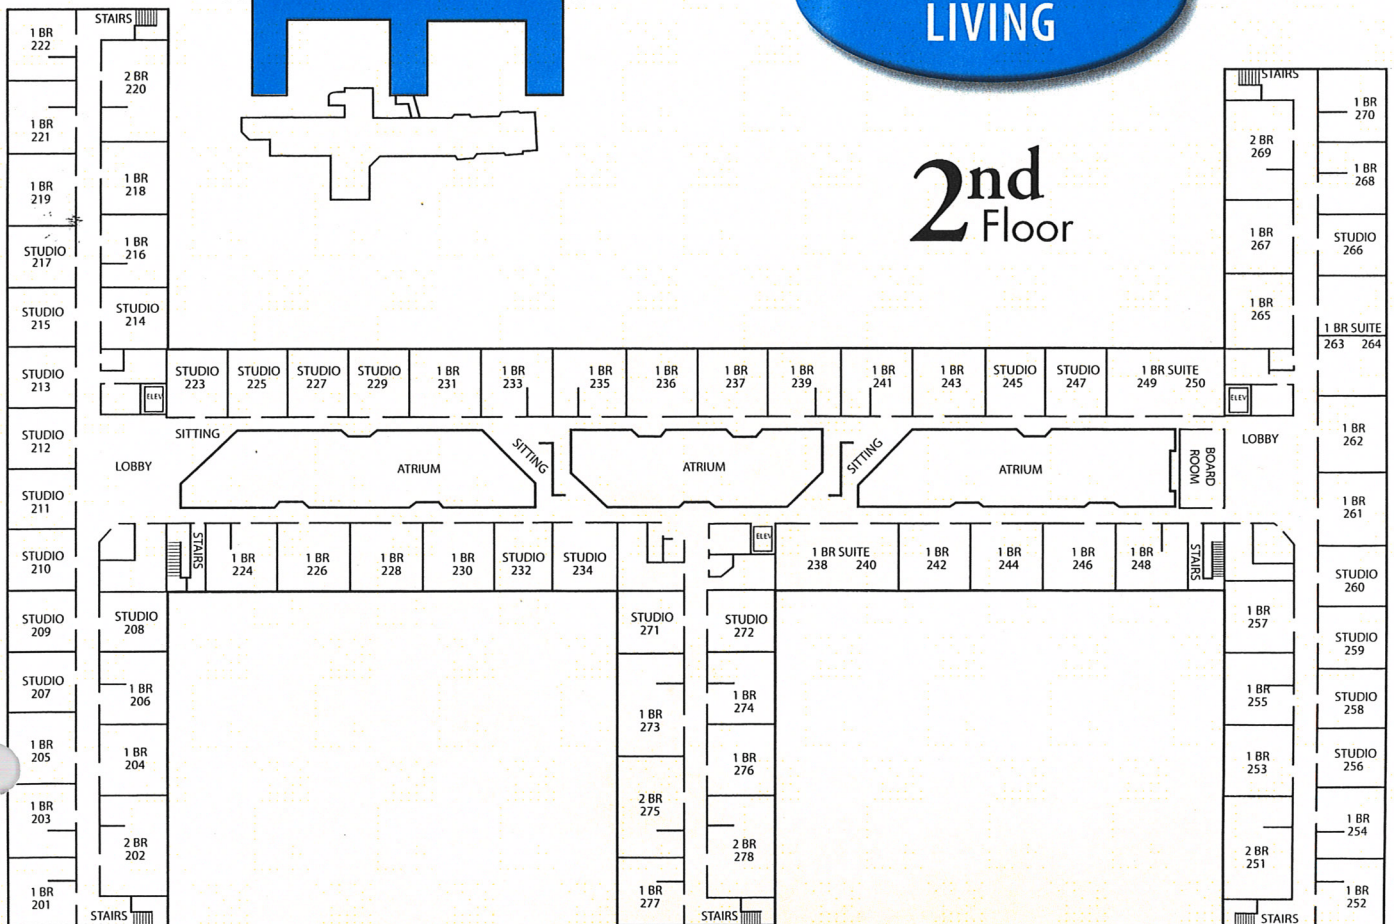

Rehabilitation Services and Skilled Nursing

Garden Plaza of Valley View also provides long-term rehabilitation and care services. Having these services on-site through Life Care Center of Valley View alleviates the hassle of traveling to another location. You can have peace of mind knowing you will receive quality care.
