Asphalt Bike Path

Access:

- To fields 1 thru 7 – Quickest is via entrance #2 or #3 off of McMillan. To access fields 4 thru 7 you need to park in lot off McMillan and walk along path. Can cut through ball fields but it is rough ground. Asphalt bike path will not support a fire truck without damaging turf or path.
- Parking lot entrance #1 off of Eagle does not allow for easy access to fields 1 thru 7. May be quickest for Tee Ball games.
