

An aerial photograph of a coastal area, likely a beach or dune system. A yellow line is drawn across the image, possibly indicating a boundary or survey line. The terrain is sandy and shows some vegetation. There are labels 'F-36' at the top left, 'G-36' on the left side, and 'H-36' at the bottom left. A dashed line is also visible in the lower right quadrant. The plot date '8/15/2024' is at the bottom right.

An aerial photograph of a landscape, likely a wetland or marsh area, with a yellow boundary line. The boundary line starts at the top left, runs horizontally across the top, then curves down and to the right, following a creek. The label 'F-38' is in the top left corner. The label 'G-38' is in the center-left area. The label 'H-38' is in the bottom left corner. The label 'G-40' is in the center-right area. The label 'H-40' is in the bottom right corner. The label 'Dry Creek' is on the left side, near the top. The label '79 Shingle Creek' is on the right side, near the bottom. The landscape is a mix of green and brownish-grey, with some darker patches. A dashed line runs diagonally from the bottom left towards the center.
